

**The Music Scholarship Fund of the Green Mountain Swing
Honoring Shep Resnik, Bill Steinhurst, Newell Freer & Peter Guthmann
2021-2022 Student's Application Form**

Dear Leila Flanagan,,

As you are likely aware, the Green Mountain Swing's Music Scholarship awards are made to serious music students in selected middle and high schools in Vermont area and from the Green Mountain Youth Symphony. These scholarships are meant to aid a student's music education while memorializing some of our past members, namely Bill Steinhurst and Newell Freer, co-founders of GMS, and Shep Resnik, our great director for many years, and one of our great drummers, Peter Guthmann.

You have been nominated for a scholarship by your music teacher, Andy Gagnon. To receive this scholarship, you need to complete the this Application Form and write a brief essay on your musical interests other interests and their meaning in your life. Then a parent or guardian should sign the acceptance below, crossing out any items they don't wish to include in their acceptance. Mail the completed form to Fred Abraham at the address below, or a signed and scanned electronic version to me via email. The awards will be up to \$250 for private music, composition lessons, summer music camps or workshops, and occasional special needs. The funds will be sent to your private music instructor, or the supplier of other approved services you may have chosen.
