Leila EST meeting SMS

Leila doing well overall in school

Reassess every 6-8 weeks and look at plan to adjust, still needed etc

Ed: questioned why we were having this meeting. Stated-Leila is well adjusted, happy in our home. Most kids have issues being called on etc

Charlie Gordon, Math: Leila isn't able to advocate for herself, lacks confidence, trouble focusing on the lesson going on, not able to take advantage of the class

More classroom participation expected, math intervention: changed the depth of knowledge

Paige Emory(past teacher): Specific need for Leila (Testing accommodations? Help in speaking out in class ie; heads up that she will be asked a certain question etc)

Becky Lively, school psychologist will observe and do an assessment of Leila for ADD behaviors in class

Dear Nancy and Ed,

We are going to have an EST Meeting to discuss your celebrations and concerns for Leila here at Stowe Middle, this will be a review of her current EST plan. We are scheduled to attend on **Monday, April 11th, from 8:00-8:15 am** on a google meet. During this time, we are going to ask you the following questions. I wanted to share them with you prior to the meeting so that you had some time to reflect on them.

When you ask how school is going, what does your student say?
What is life like at home? Activities? Sports? Who are your friends/ how are friendships going?
What are the top three challenges that you are seeing from home?
What goals would you like for ^{her} him to achieve?
What are some of the successes that you have celebrated lately?
What are some strategies or structures that you have used at home that you have found to be successful?

If you have any questions or concerns, please feel free to reach out to me or any member of the EST Team. Otherwise, we will see you virtually on Monday.

Best regards,

Paige Emory
