PALM BEACH GARDENS

Florida is known as the Golf Capital of the World with Palm Beach Gardens being the crown jewel. The city has 12 world-class golf courses including PGA National, home to the illustrious annual Honda Classic and the infamous Bear Trap, one of the most challenging finishing stretches in the game. Because of this, many professional golfers have made Palm Beach Gardens their home. With a number of gated communities, lush landscaping, and a variety of neighborhood activities all year long, the city is the perfect place for families to live out the American Dream. The Gardens Mall and Downtown at the Gardens offer the latest trends from luxury international fashion designers, making the area an uber-popular shopping destination. Every Sunday, many residents and visitors gather at city hall for the Gardens Green Market where hundreds of vendors sell local goods from seafood and cheeses to handmade crafts and jewelry.
