Directions Rt. 108 to Edson Hill to Sanborn Rd to Robinson's Spring Rd to the corner of Robinsopn's Springs Rd and Thomas Pasture Lane on the left.

Remarks - Public One of the last lots left in Robinson's Springs with spectacular views of the ski trails. With clearing the views will be right there in your face and you are high enough that trees will not grow up in front of you on someone else's property. This lot needs to have someone with imagination as it has a steep slope. It is perfect for a modern house with a walk-out lower floor. Be the one where everyone says, "I wish I had the imagination to build that house." A lot where a beautiful mountain modern house would nestle right into the slope of the land. You will be the one to sit in your living room and look at the trails summer or winter and congratulate yourself for having the foresight to design a house that enhances the beauty of the nature around it.

Directions Go up School St to Taber Hill almost to the top, after Kirchner Woods look for road sign with Manelick Drive, turn onto road continue on around two curves. Lots begin on the left after Lot 3. In the spring the road will come in up the hill from the existing drive.

Remarks - Public This is one of the few ESTATE like parcels of land left in Stowe with views to Mt. Mansfield. Your own 42 private acres is also a fully permitted sub-division of four lots with a gravel road leading into the middle of the property. There are several wonderful house sites or you could plunk you house right down in the middle of it all. Build on one lot, sell the other three or leave them for family members. Lot #4 has a ROW through Lot #7. Lot #5 is somewhat cleared with potential for both Camel's Hump and Mt. Mansfield views. The other lots are not cleared, but would have views of Mt. Mansfield. Established neighborhood with comparable properties. Truly a fabulous property with mostly maple trees as the predominant tree. Close to town, build your dream home here or it is perfect for the builder looking to build several houses. One of the few parcels of land left in Stowe, with permits for several lots. It is close to the village, yet private. Terrain is variable with the ability to have walking trails within the property. Ready to go.
