Hi Holly and Lee,

Thanks for your note.

I spoke to. Ed French this morning and he made sure I understood that we are trying to make the transaction happen as quickly as possible.

To that end, in the next few days, I will send you draft versions of our marketing agreement and other documents. We can discuss them in due course.

If you give me the lockbox code, I will tour the house with my associate.

Regards,

Pall Spera Company
