Bob.

Attached is a P&S signed by Leah with all of your requested changes/conditions. The two exceptions are those that were discussed yesterday, as follows:

- The 48 hour right to inspection (and cancel) excludes chimney, water heater, and smoke detector;
- Upon declaration being filed, we will file a joint stipulation of dismissal and execute general mutual releases.

Leah is out of the country, however, she has agreed to the above two points (which are really only points of clarification). Also attached is the pre-approval letter. Let's execute this P&S so that we can move forward, file the declaration, and file the stipulation of dismissal with prejudice with general releases.

is sent disagrees, that party shall provide notice to the party demanding all Contract Deposits and to the Escrow Agent named in Section 3 of this Contract that it demands to mediate the dispute under Section 23 of this Contract. If such demand to mediate is not sent within twenty-one (21) calendar days from the date written notice of a claimed default was sent, the failure to send such demand to mediate shall constitute authorization and permission under this Contract for Escrow Agent to pay all Contract Deposits to the party claiming default and demanding the Contact Deposits without further notice, documentation or authorization from either Seller or Purchaser. Payment of all Contract Deposits by the Escrow Agent under such circumstances shall constitute the final resolution and disposition of all Contract Deposits. Seller and Purchaser acknowledge and agree that resolution of all Contract Deposits in this manner fully and completely satisfies all laws, regulations and obligations applicable to Escrow Agent and agree to release, discharge, hold harmless and indemnify Escrow Agent acting in good faith pursuant to this section. In the event mediation is demanded and the dispute over all Contract Deposits is resolved by mediation, Seller and Purchaser agree to instruct Escrow Agent, in writing, as to the disposition and payment of all Contract Deposits. In the event the dispute over all Contract Deposits is not resolved by mediation. Escrow Agent shall continue to hold all Contract Deposits in escrow or may, at any time, pay all Contract Deposits into court for the purpose of determining the rights of the parties to all Contract Deposits. All costs and expenses of any such action, including attorney's fees incurred by Escrow Agent, shall be borne jointly and severally by Seller and Purchaser irrespective of the amount of all Contract Deposits and irrespective of which party ultimately prevails in the dispute. In the event of a dispute concerning default or payment of all Contract Deposits by Escrow Agent, Escrow Agent shall not be personally liable to either party except for bad faith or gross neglect. In the event a claim other than for bad faith or gross neglect is asserted against Escrow Agent, the parties shall jointly and severally indemnify and hold Escrow Agent harmless from all loss or expense of any nature, including attorney's fees, arising out of the holding of all Contract Deposits irrespective of the amount of all Contract Deposits.

- 22. Terms and Conditions of Escrow Agent Holding Contract Deposits: Seller and Purchaser acknowledge that Vermont law provides that real estate brokers shall place any Contract Deposits held by them that are reasonably expected to earn less than One Hundred Dollars (\$100.00) in interest in a pooled interest-bearing trust account or escrow (IOR I'A) account. Interest accrued on such Contract Deposits is remitted to the Vermont Housing Finance Agency (VHFA) to be used in the Agency's single family home mortgage programs. Seller and Purchaser further acknowledge that Vermont law also provides that real estate brokers shall place any Contract Deposits held by them that are reasonably expected to earn interest more than One Hundred Dollars (\$100.00) in interest in an individual interest-bearing account. Acknowledging the above advisements, for the convenience of the transaction, Seller and Purchaser agree that unless otherwise agreed in writing, all Contract Deposits held by Escrow Agent shall nonetheless be placed in a pooled interest bearing IORTA account and the interest accrued thereon shall be remitted to VHFA even if the interest thereon is expected to earn more than One Hundred Dollars (\$100.00).
- Mediation of Disputes: In the event of any dispute or claim arising out of or relating to this Contract, to the Property, or to the services provided to Seller or Purchaser by any real estate agent who brought about this Contract, it is agreed that such dispute or claim shall be submitted to mediation prior to the initiation of any lawsuit. The party seeking to mediate such dispute or claim shall provide notice to the other party and/or to the real estate agent(s) with whom mediation is sought and thereafter the parties and/or real estate broker(s) with whom mediation is sought shall reasonably cooperate and agree on the selection of a mediator. A party or real estate broker not involved in the dispute or claim shall not be required to participate in the mediation. The real estate agent(s) who brought about this Contract can be of assistance in providing information as to sources for obtaining the services of a mediator. Unless otherwise agreed to in writing, the parties and any real estate agent(s) involved in the mediation shall share the mediator's fee equally. Seller, Purchaser and the real estate agent(s) who brought about this Contract acknowledge and understand that, although utilizing mediation in an effort to resolve any dispute or claim is mandatory under this Contract, the function of the mediator is to assist the parties involved in the mediation in resolving such dispute or claim and not to make a binding determination or decision concerning the dispute or claim. This provision shall be in addition to, and not in replacement of, any mediation or alternative dispute resolution system required by an order or rule of court in the event the dispute results in a lawsuit. In the event a lawsuit is initiated without first resorting to mediation as required by this Section, any party or real estate agent named in Section 31 of this Contract shall be entitled to reimbursement of the reasonable cost of attorney's fees or other expenses arising out of such lawsuit until the mediation required by this Section

Seller shall continue to carry such fire and extended coverage insurance as is presently maintained on the buildings and improvements located on the Property. In the event any of the buildings or improvements are destroyed or damaged and are not restored to their present condition by the date set for closing, Purchaser may either accept title to the Property and receive the benefit of all insurance monies recovered on account of such damage or may terminate this Contract and be entitled to the return of all Contract Deposits as Purchaser's sole remedy.

A. Real property taxes, municipal taxes, fees and assessments, condominium assessments, rents, utilities or similar items shall be apportioned and prorated at Closing between Seller and Purchaser with Seller being responsible for closing adjustments and expenses until the day before Closing and Purchaser being responsible for those expenses on and after the day of Closing.

It is understood and agreed that the amount of any such payment is the property of the Seller and shall not be applied to the apportionment and proration of taxes.
