To the best of Seller's knowledge, the Property is in compliance with any existing permits. Further, Seller has not received notice of violation(s) of any State or Local permit that has not been cured or resolved, unless otherwise disclosed in writing.
- 13. Limitation of Liability: Seller and Purchaser agree that the real estate broker(s) identified in Section 31 have provided both Seller and Purchaser with benefits, services, assistance and value in bringing about this Contract. In consideration thereof, and in recognition of the relative risks, rewards, compensation and benefits arising from this transaction to the real estate broker(s), Seller and Purchaser each agree that no broker, or any of its agents, associates or affiliates, shall, in any event, be liable to either Purchaser, Seller or both, either individually or jointly and severally, in an aggregate amount in excess of the compensation paid to such broker on account of this transaction or \$5,000, whichever is greater, by reason of any act or omission, including negligence, misrepresentation, error or omission, or breach of any undertaking whatsoever, except for an intentional or willful act. This limitation shall apply regardless of the cause of action or legal theory asserted against the real estate broker(s) unless the claim is for an intentional or willful act. This limitation of liability shall apply to all claims, losses, costs, damages or claimed expenses of any nature whatsoever from any cause or causes, except intentional or willful acts, so that the total aggregate liability of any real estate broker identified in Section 31 hereof shall not exceed the amount set forth herein. Seller and Purchaser each agree that there is valid and sufficient consideration for this limitation of liability and that the real estate broker(s) are the intended third-party beneficiaries of this provision.
- 14. Possession: Possession and occupancy of the premises, together with all keys/access devices or codes to the premises and any property or fixtures that are part of the sale, shall be given to Purchaser at Closing unless otherwise agreed in writing. Seller shall leave the premises broom clean, free from all occupants, and shall remove all personal property not being sold hereunder, together with the personal property of all occupants. Seller agrees to permit Purchaser to inspect the premises within 24 hours prior to the date set for Closing to ensure compliance with this provision.
- 15. Payment of Purchase Price: Payment of the Purchase Price is due at Closing and shall be adjusted for any Contract Deposits held by Escrow Agent to be disbursed at Closing, taxes or tax withholding applicable to Seller as described in Sections 17 and 18 of this Contract, or as required by other applicable law, Closing Adjustments under Section 26 of this Contract, compensation due to Seller's real estate broker, and any other items agreed to in writing by Seller and Purchaser. The purchase price, after adjustments are made, shall be paid to Seller in cash, by wire transfer, electronic transfer, certified, treasurer's or bank teller's check, check drawn on the trust or escrow account of a real estate broker licensed in the State of Vermont, or, check drawn on the trust or escrow account of an attorney licensed in the State of Vermont, or any combination of the foregoing. Seller and Purchaser agree that, prior to Closing, upon request, the brokers named in Section 29 of this Contract shall be provided with a copy of the proposed TILA-RESPA Closing Disclosure (CD) pages 2 and 3 (Closing Cost Details and Summaries of Transactions) and, at Closing, upon request, said brokers shall be provided a copy of the final CD(s) signed by Seller and Purchaser. In the event Seller requests funds by wire transfer or by certified, treasurer's or bank teller's check, Seller shall provide notice thereof to the attorney or settlement agent closing the transaction within a reasonable time prior to the date scheduled for Closing. All fees or charges incurred to enable funds to be paid to Seller by wire transfer, certified, treasurer's or bank teller's check shall be paid for at Closing by Seller. Unless otherwise agreed to in writing, or as directed by the attorney or settlement agent closing the transaction, all Contract Deposits held by Escrow Agent shall be paid directly to Seller at Closing and credited toward the total proceeds to be paid to Seller at Closing. In the event the attorney or settlement agent closing the transaction requests Escrow Agent to deliver the Contract Deposits prior to the date set for Closing, Seller and Purchaser hereby authorize Escrow Agent to do so, provided the Contract Deposit funds are made payable to the closing attorney or settlement agent's trust or escrow account and Escrow Agent reasonably believes the Closing shall occur as scheduled.
- 16. Deed: Unless otherwise agreed to in writing, Seller shall deliver to Purchaser at Closing a Vermont warranty deed, prepared and paid for by Seller, conveying marketable title to the Property as defined by Vermont law.
- 17. Property Transfer Tax/Land Gains Tax/Act 250 Disclosure Statement: Purchaser shall pay any Vermont Property Transfer Tax due on account of the sale of the Property. If any Vermont Land Gains Tax is due as a result of the sale of the Property, the Seller shall pay such tax as may be due, except as otherwise provided by law or by addendum to this Contract. At or prior to closing, Seller shall provide Purchaser with satisfactory proof either that there is no such tax due or that the tax has been paid in full, or shall provide a certificate from the Vermont Department of Taxes specifying the amount of any tax that may be due as a result of the sale. In the event Seller is required to provide Purchaser with an Act 250 Disclosure Statement and fails to provide such a statement or provides the statement in an untimely manner, Purchaser's closing on this transaction and acceptance of Seller's deed shall constitute a waiver and release of Purchaser's right to declare this Contract unenforceable, to rescind this transaction or to pursue Seller for damages arising out of the failure to provide an Act 250 Disclosure Statement.
- 18. Income Tax Withholding Requirements if Seller is a Nonresident of Vermont and/or Subject to Tax Under the U.S. Foreign Investment in Real Property Tax Act: If Seller is a nonresident of Vermont, unless a withholding certificate is issued by the Vermont Commissioner of Taxes in advance of the closing, Purchaser shall withhold 2.5 percent of the total purchase price and file a withholding tax return with the Vermont Department of Taxes. In addition, if the sale of the Property subjects Seller to the payment of federal tax under the Foreign Investment in Real Property Tax Act (FIRPTA), unless a withholding certificate is issued by the Internal Revenue Service, Purchaser shall withhold 15 percent of the total purchase price (35% for foreign corporations) and file a withholding tax return with the Internal Revenue Service. If Purchaser fails to withhold such taxes when required to do so, Purchaser may be liable to the respective taxing authorities for the amount of such tax. Purchaser shall have the right to reasonably request evidence

that Seller is exempt from payment of either tax in the form of a certificate of residence or non-foreign status. In the event Purchaser is determined to be liable for the payment of either tax, Seller shall indemnify and hold Purchaser harmless from all such liability together with any interest, penalties and reasonable expenses, including attorney's fees, incurred by Purchaser.

- 19. Purchaser's Examination of Title: Purchaser, at his or her sole cost and expense, shall cause the title to the Property to be examined and shall notify Seller in writing, prior to the date set for Closing, of the existence of any encumbrances or defects which are not excepted in this Contract which render title unmarketable as defined by Vermont law. In such event, Seller shall have thirty (30) calendar days from the time Seller receives such notice to remove the specified encumbrances or defects. Promptly following receipt of such notice, Seller shall exercise reasonable efforts and diligence to remove or cure the specified encumbrances or defects. If, at the expiration of thirty (30) calendar days from the receipt of such notice, or on the date set
  - for Closing, whichever is later, Seller is unable to convey marketable title free and clear of such encumbrances or defects, Purchaser may terminate this Contract, and, if so, shall receive all Contract Deposits and, in addition, may pursue all legal and equitable remedies provided by law, including any damages incurred after the thirty (30) day period referred to above.
- 20. Default: If Purchaser fails to close as provided herein, or is otherwise in default, Seller may terminate this Contract by written notice as provided in Section 29 and claim all Contract Deposit(s) as liquidated damages, or may elect to pursue all legal and equitable remedies provided by law. In the event of Purchaser's default, Seller's damages may be difficult to initially evaluate due to future events that cannot be predicted. The Contract Deposit(s) is agreed to be a reasonable estimate of at least some of Seller's damages resulting from Purchaser's default. Seller's right to claim the Contract Deposit(s) is not intended to be a penalty for Purchaser's default nor an incentive for Purchaser to perform its obligations under this Contract. If Seller fails to close, or is otherwise in default, Purchaser may terminate this Contract by written notice as provided in Section 29 and claim all Contract Deposit(s) as liquidated damages or subject to the provisions of Section 19 relating to the thirty (30) calendar day cure period for title encumbrances or defects, elect to pursue all legal and equitable remedies provided by law. In the event legal action is instituted arising out of a breach of this Contract, for payment or return of the Contract Deposit(s) or to obtain any available legal or equitably remedy, the substantially prevailing party shall be entitled to reasonable attorney's fees and court costs.
- 21. Contract Deposits: At Closing and transfer of title, Escrow Agent shall disburse all Contract Deposits. In the event Purchaser terminates this Contract under the specific provisions hereof entitling Purchaser to terminate, upon written demand, Escrow Agent shall refund all Contract Deposits to Purchaser in accordance with laws and regulations applicable to Escrow Agent. In the event either Seller or Purchaser does not perform and fails to close on the terms specified herein, this shall constitute a default. In the event of a default undisputed by Seller and Purchaser, upon written demand, Escrow Agent shall pay all Contract Deposits to the non-defaulting party in accordance with laws and regulations applicable to Escrow Agent. In such case, Seller and Purchaser agree to execute and deliver to Escrow Agent an Authorization for Delivery of All Contract Deposits to the party entitled to such Deposits. In the event Seller or Purchaser provides written notice to the other party of a claimed default and demands delivery of all Contract Deposits on account of such claimed default, if the party to whom such notice is sent disagrees, that party shall provide notice to the party demanding all Contract Deposits and to the Escrow Agent named in Section 3 of this Contract that it demands to mediate the dispute under Section 23 of this Contract. If such demand to mediate is not sent within twenty-one (21) calendar days from the date written notice of a claimed default was sent, the failure to send such demand to mediate shall constitute authorization and permission under this Contract for Escrow Agent to pay all Contract Deposits to the party claiming default and demanding the Contract Deposits without further notice, documentation or authorization from either Seller or Purchaser. Payment of all Contract Deposits by the Escrow Agent under such circumstances shall constitute the final resolution and disposition of all Contract Deposits. Seller and Purchaser acknowledge and agree that resolution of all Contract Deposits in this manner fully and completely satisfies all laws, regulations and obligations applicable to Escrow Agent and agree to release, discharge, hold harmless and indemnify Escrow Agent acting in good faith pursuant to this section. In the event mediation is demanded and the dispute over all Contract Deposits is resolved by mediation, Seller and Purchaser agree to instruct Escrow Agent, in writing, as to the disposition and payment of all Contract Deposits. In the event the dispute over all Contract Deposits is not resolved by mediation, Escrow Agent shall continue to hold all Contract Deposits in escrow or may, at any time, pay all Contract Deposits into court for the purpose of determining the rights of the parties to all Contract Deposits. All costs and expenses of any such action, including attorney's fees incurred by Escrow Agent, shall be borne jointly and severally by Seller and Purchaser irrespective of the amount of all Contract Deposits and irrespective of which party ultimately prevails in the dispute. In the event of a dispute concerning default or payment of all Contract Deposits by Escrow Agent, Escrow Agent shall not be personally liable to either party except for bad faith or gross neglect. In the event a claim other than for bad faith or gross neglect is asserted against Escrow Agent, the parties shall jointly and severally indemnify and hold Escrow Agent harmless from all loss or expense of any nature, including attorney's fees, arising out of the holding of all Contract Deposits irrespective of the amount of all Contract Deposits.
- 22. Terms and Conditions of Escrow Agent Holding Contract Deposits: Seller and Purchaser acknowledge that Vermont law provides that real estate brokers shall place any Contract Deposits held by them that are reasonably expected to earn less than One Hundred Dollars (\$100.00) in interest in a pooled interest-bearing trust account or escrow (IORTA) account. Interest accrued on such Contract Deposits is remitted to the Vermont Housing Finance Agency (VHFA) to be used in the Agency's single family home mortgage programs. Seller and Purchaser further acknowledge that Vermont law also provides that real estate brokers shall place any Contract Deposits held by them that are reasonably expected to earn interest more than One Hundred Dollars (\$100.00) in interest in an individual interest-bearing account. Acknowledging the above advisements, for the convenience of the transaction, Seller and Purchaser agree that unless otherwise agreed in writing, all Contract Deposits held by Escrow Agent shall nonetheless be placed in a pooled interest-bearing IORTA account and the interest accrued thereon shall be remitted to VHFA even if the interest thereon is expected to earn more than One Hundred Dollars (\$100.00).

- 23. Mediation of Disputes: In the event of any dispute or claim arising out of or relating to this Contract, to the Property, or to the services provided to Seller or Purchaser by any real estate agent who brought about this Contract, it is agreed that such dispute or claim shall be submitted to mediation prior to the initiation of any lawsuit. The party seeking to mediate such dispute or claim shall provide notice to the other party and/or to the real estate agent(s) with whom mediation is sought and thereafter the parties and/or real estate broker(s) with whom mediation is sought shall reasonably cooperate and agree on the selection of a mediator. A party or real estate broker not involved in the dispute or claim shall not be required to participate in the mediation. The real estate agent(s) who brought about this Contract can be of assistance in providing information as to sources for obtaining the services of a mediator. Unless otherwise agreed to in writing, the parties and any real estate agent(s) involved in the mediation shall share the mediator's fee equally. Seller, Purchaser and the real estate agent(s) who brought about this Contract acknowledge and understand that, although utilizing mediation in an effort to resolve any dispute or claim is mandatory under this Contract, the function of the mediator is to assist the parties involved in the mediation in resolving such dispute or claim and not to make a binding determination or decision concerning the dispute or claim. This provision shall be in addition to, and not in replacement of, any mediation or alternative dispute resolution system required by an order or rule of court in the event the dispute results in a lawsuit. In the event a lawsuit is initiated without first resorting to mediation as required by this Section, any party or real estate agent named in Section 31 of this Contract shall be entitled to reimbursement of the reasonable cost of attorney's fees or other expenses arising out of such lawsuit until the mediation required by this Sect
- 24. Fixtures and Personal Property: Insofar as any of the following items are now located on and belong to the Property, they shall be deemed to be fixtures and are included in this sale; heating, lighting and plumbing fixtures; storm windows and doors; screens and screen doors; curtain rods, window shades and blinds; shrubbery and trees; wall-to-wall carpeting, television antennae and satellite dish. NO PERSONAL PROPERTY, INCLUDING TELEVISION(S) AND TELEVISION MOUNTING BRACKET(S), IS INCLUDED IN THIS SALE UNLESS EXPRESSLY IDENTIFIED AND DESCRIBED IN THIS CONTRACT OR IN ANY SCHEDULE ATTACHED HERETO. Any personal property transferred under this Contract is sold "As Is" with no warranties of any kind, express or implied, other than the warranty of title.
- 25. Risk of Loss/Insurance: During the period between the date of this Contract and the transfer of title, risk of loss shall be on Seller. Seller shall continue to carry such fire and extended coverage insurance as is presently maintained on the buildings and improvements located on the Property. In the event any of the buildings or improvements are destroyed or damaged and are not restored to their present condition by the date set for closing, Purchaser may either accept title to the Property and receive the benefit of all insurance monies recovered on account of such damage or may terminate this Contract and be entitled to the return of all Contract Deposits as Purchaser's sole remedy.

#### 26. Closing Adjustments:

- A. Real property taxes, municipal taxes, fees and assessments, condominium assessments, rents, utilities or similar items shall be apportioned and prorated at Closing between Seller and Purchaser. Seller shall be responsible for closing adjustments and expenses until the day before Closing. Purchaser shall be responsible for closing adjustments and expenses on and after the day of Closing.
- B. Should any tax, charge, rate or assessment be undetermined on the date of Closing, the last determined tax, charge, rate or assessment shall be used for purposes of apportionment and proration.
- C. Any payment under the Vermont Statewide Education Property Tax which reduces the real estate property tax on the Property, either for the current tax year or thereafter, shall be allocated and paid to Seller at Closing unless the Seller and Purchaser otherwise agree in writing.
- It is understood and agreed that the amount of any such payment is the property of the Seller and shall not be applied to the apportionment and proration of taxes. Purchaser is advised that the payment to be made to Seller at Closing on account of any applicable Statewide Education Property Tax may require Purchaser to have available funds at Closing that might significantly exceed funds for closing adjustments that would otherwise be required.
- D. Purchaser shall reimburse Seller at Closing for fuel at the Property at the current rate charged by the Seller's fuel supplier at the time of Closing, with the exception of propane which shall be handled outside of Closing by Seller and Purchaser as set forth in Title 9 V.S.A. - E. The net amount of the above adjustments shall be added to or deducted from the amount due to or owed by Seller at Closing.
- 27. Effect: This Contract is for the benefit of and is binding upon Seller and Purchaser, and their respective heirs, successors, administrators, executors and assigns. This Contract, together with any written and signed addenda thereto, contains the entire agreement by and between Seller and Purchaser and supersedes any and all prior agreements, written or oral. This Contract shall be governed by the laws of the State of Vermont.
- 28. Modification and Amendment: No change, modification, amendment, addition or deletion affecting this Contract shall be effective unless in writing and signed by Seller and Purchaser.
- 29. Written Notices/Effective Delivery: Any notice required to be in writing under this Contract (and any addenda or supplemental conditions thereto) must be signed by Seller, Purchaser, or their respective attorneys, by actual or electronic signature that complies with Federal and Vermont electronic signature laws.
