

Copley Country Club Ladies League

On behalf of the Copley Country Club Ladies League, I would like to present you with an opportunity to showcase your business during our Annual Invitational Ladies Golf Tournament. This year our tournament is scheduled for Saturday July 21, 2018. We have chosen The Lamoille Area Cancer Network in honor of a long time member and local long time resident Cynthia Borek who recently passed away.

Our tournament is a one day event that takes place at Copley Country Club in Morrisville and involves approximately 40-50 woman.

We are soliciting donations for our raffle. It can be anything from a Gift Certificate or something else that represents your business. These tax deductible donations will be on display on our raffle table all day during, before and after our tournament.

Please contact me with any questions or to obtain more information regarding this donation.

Thank-you for your consideration,
