Nancy Dumont 1241 Tabor Hill Road Stowe, VT 05672	Nancy Dumont 1241 Tabor Hill Road Stowe, VT 05672
	Home: 802-793-1430

We hereby submit specifications and estimates for:

We are pleased to provide a quote to remove and dispose of the existing furnace and oil tank in the basement of your home. To install one York high efficiency gas furnace in the same location as old. This furnace will be tied back into the existing 7" supply ductwork with new takeoffs being installed. There will be new 10" and 12" round return lines installed into the floor panning that will replace the existing return ductwork, venting will terminate out through the sill area with PVC pipe and condensate will be installed into the sump pump as discussed. To install one Empire RH-25 in the basement in location discussed. This Empire will be vented into the existing chimney that existing oil furnace was in. This quote includes setting of tanks, gas lines, valves, labor etc for complete installation. Let it be understood that inspection of the existing venting system must be completed to be sure it is suitable for Empire heater and customer is responsible to install Durarock on ceiling over Empire heater due to clearance to combustibles.

Quantity	Description	Unit Price	Amount
