INSTALLATION GUARANTEE

Vermont Energy Contracting & Supply Corp. guarantees for one year the installation of your energy system or service. If within one year of installation there is found a defect in the workmanship or materials used in the installation, Vermont Energy will repair or at its option, replace defective components and/or parts at no charge.

This guarantee covers defects in the materials or workmanship of the installation only. It does not apply to conditions resulting from lack of maintenance, misuse, abuse, negligence, accident or alteration. This guarantee does not extend to the heating/energy equipment itself. The equipment is covered by warranties of the manufacturer only. Unless otherwise stated manufacturers warranty service will be performed by Vermont Energy.

ADDITIONAL INFORMATION

We invite you to spend a few moments to visit our website to learn more about our services. Within our site you will find links to product information provided by the manufacturers.

All material is guaranteed to be as specified. All work to be completed in a professional manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above the estimate. All agreements contingent upon delays beyond our control. Purchaser agrees to pay all costs of collection, including attorney's fees. This proposal may be withdrawn by us if not accepted within 14 days.

Please sign and return with deposit to confirm installation date.

Authorized Signature

Nancy duMont Date 12/17/19

- After the installation, register your new equipment online with the manufacturer for best warranty coverage.
