PICTURE OF OUR
OFFICES

We can virtually see you...

~~too~~ At Fall Spira Company Realtors
we are thinking of you in this
unprecedented time of anxious
unrest...

~~With~~ With the global concerns
for COVID-19 in our homes
and work places we want you

to know that we
are ~~active~~^{very} active daily in our
real estate business.

With closures, difficulty
in access and common sense
social distancing have made
even more difficult the
process of buying and selling.

It makes it hard to engage
with your agent, make decisions
and complete the transaction.

Yet with all the difficulties
and restrictions the opportunities
for informed buyers and
sellers are still abundant. —

We at Pall Spers Company have
the tools and expertise to
help you make the most of
these difficult times.

③

Showing your property:

Dispite when an in-person property walk through can't happen, we can schedule a virtual home tour or a one-on-one FaceTime, Instagram or YouTube showing.

Emails that say something:

Its not old school to use email • We can deliver market data, current mortgage information, professional suggestions about buying and selling smarter and coordinated groupings of appropriate properties for you to review timely and with relevance.

Social media that is good: (4)

on face book, twitter and
instagram, we are working
with our social media experts
to make finding a home - direct
from your home; easier and
~~effective~~ enjoyable.

TRANSACTIONS in the cloud

When your kitchen table
needs to be your closing table,
we can leverage an array
of secure paperless technology
for truly hands free transaction
management.

your Digital home on tour:

⑤

Whether you are a buyer or seller we can present you many homes for sale as a buyer and locally and nationally market your property across the ~~that~~ region and ~~nation~~ the entire U.S. and beyond.

~~In person~~

In person made Smarter:

When working face-to-face is possible and prudent, we are committed to doing it right.

at Pall Spira Company our Realtors and staff follow stringent protocols for staying healthy, safe and disinfecting our places of business

—————> cont

— as well as working with
sellers to uphold the deep
clean standards in the homes
we represent

We appreciate your
trust and business. In our
over 50 years of business our
goal is results for you.

We commit to it daily and
strive to come out of the
current times better and wiser
and benefit your needs along
the way.

Thank You -
With our Best Wishes for
a healthy and ~~safe~~ safe future.

The Sun is going to
shine tomorrow.
