Renovation Financing

CE Credits: 3

This course is designed to define and help the sales agent explain renovation financing. See why NOW is a good time for customization financing. Learn the characteristics of today's renovation customer, find out what the allowable repairs are that may be completed with renovation financing money, and explain how appraisals and inspections play a part in renovation financing.

Instructor - Matt Hemphill

Matt started in the mortgage industry as a Loan Officer in 1988 in Massachusetts. He entered into Sales Management in 1990. In 1996 Matt and his family moved to Vermont where he has lived and worked as a Loan Officer and Manager since.

Matt has helped thousands of people in New England and Vermont close home loans. Additionally he has given training presentations to Realtors and their clients on home mortgage lending to thousands of people across the State of Vermont.

Currently Matt is a Regional Manager for Homebridge Financial Services Inc, covering New England and upstate New York. Matt manages 13 branches in his territory with 5 currently in Vermont. Homebridge is the overall fourth largest independent mortgage lender in the country and far and away the largest home loan renovation lender in the United States.
